ICR# 24001089	AGENCY ORI# MN0273700	JUVENILE:
Reported: 04-07-2024 1447 First Assigned: 1453 First Arrived: 1500 Last Cleared: 1615 Committed Start: 04-07-2024 1447 Committed End: Title: Poss Release Violation How Received: Radio Short Description: Unwant Unwanted Person Summary: Chandra called dispatch advising Jeffrey was at her residence and was aware we were attempting to serve the latest Ex Parte OFP she was granted on Friday 04/05/2024. I responded and Chandra advised Jeffrey had just left out the back. I checked the area, Jeffrey was UTL. Chandra initially led me to believe he had just arrived, however I spoke further with her by phone and learned he arrived at the residence the night prior and was in the house when she arrived. She stated she allowed him to stay until just before calling as she became upset with him and advised she was calling the police at which point he left the residence. I advised Chandra if she wished to follow through with the OFP and to be clear of Jeffrey she needed to call 911 immediately if he returns and not allow him in the house before calling. Chandra apologized and stated she thought they could just talk but acknowledged she had undermined the intent of the court and allowing proper service of the OFP to Jeffrey. Ongoing issue, current OFP that was granted on 04/05/2024 RE: 27-DA-FA-24-2136 is still not-served. In reviewing the prior conditional release for Jeffrey issued by the court on 04/01/20204 RE: 27-CR-24-7234, which indicates he is to not have contact in any way with Chandra appears to still be enforce, however I am unable to determine if the order is still valid as no new entries in MGA are present indicating it being vacated, and no current corrections agent is listed in S3. I attempted contact with Hennepin ADC and am unable to determine if the conditional release order is current to date. I attached copies of both orders and CC'd to roll-call the Ex Parte order is still pending service. Case active to investigations for review and submission to the court for possible Conditional Release Violation. My BWC and Phone call recordings added as evidence.
