Title: Domestic Report **How Received:** Radio
Short Description:
Domest Domestic
Summary:
R/C of a domestic at this location. R/P Homa is the sister of Brouelette and states that she is in her house, that Hardin is moving out and he won't let Brouelette out of the house - holding her inside.

Upon arrival, I met with Homa and also Brouelette who was now outside. Hardin was sitting on the front steps of the residence. There were several boxes of personal belongings in the yard.

I spoke with Homa who was there with what I believe is her husband. They advised that Hardin is moving out and a fight started and he would not let Brouelette out of the house and they did not want to go in. Shortly after calling, Brouelette came out of the house.

Brouelette said she just wants Hardin to get his stuff out of the house and move out. She wants him finally out of the house.

I have been at this residence several times and my partners even more. Brouelette owns the house and had a previous relationship with Hardin but that ship has long sailed. Hardin continued living in the house with the promise to pay rent but never did according to Brouelette.

Brouelette was given advice several times of obtaining a HRO and also start the eviction process to get him out of the house. She claims she was denied a HRO and never started the eviction process.

I spoke with Hardin briefly as he was sitting on the stairs. He had told me months ago that he was moving out. Again today he said that he was moving out. Said a friend from Waconia was coming to pick him and his belongings up to get him out.

I went into the residence and could see boxes that appeared to be packed up sitting in the living room. I asked him to continue moving his property out of the house onto the lawn in prep for loading it into his friend's house.

In passing, he told me that she had assaulted him and he wanted to press charges. I told him that I would need to get a written statement from him regarding what happened and that we could discuss the report being forwarded to the city attorney for review.

Homa had Brouelette come to her house while Hardin packed his items out of the house so there was not further contact.

I stopped back later and met with Hardin's friend Lisa. I gave her my contact info to give to Hardin when he was done packing out to discuss the assault further if he liked.

At 1800 hours, there was no further contact or reconnection to me by either side.

Title: Phone call to Hardin

Created By: Nick Eldred

Hardin called WHPS requesting to speak to Sgt. Denneson regarding the incident from 03-19-24.

I advised Hardin that Sgt. Denneson was off duty and offered to take the report.

I asked Jeff if he had written out a statement, as Sgt. Denneson had requested and Jeff stated he had not.

Jeff then requested to send me a video of the incident, an assault and include a written statement with it.

Jeff and I agreed to connect in the evening hours of 03-24-24 and speak about the incident for an official report.

Jeff indicated that he was still at Chandra's house at 1647 Marsch, saying that he moving out didn't happen.

Jeff did tell me that Chandra was a the house and they were not getting along fine.

Jeff told me that he was safe.

Jeff did not make any comments about being in fear of being with Chandra, though she was a suspect of the assault.

I contacted Chandra by text to check in on her about Jeff still being at her house.

Chandra appreciated me checking in on her and said she was physically fine, emotionally a "not so good" and that she really thought he was leaving this last time, but he did not.

I advised Chandra to call if she needed anything from WHPS.
