I called the RP while en route. She was crying and stated the male was now taking video of her. I advised I would respond and requested 6500 routine as well. We spoke with female RP who stated nothing physical, and did not want further action by WHPS. RP stated she was ok and did not need assistance, was just frustrated and upset by their relationship and his behavior. I discussed other options of having the male leave etc. and she stated she was still ok.
